SORANO HOTEL Spa Treatments On Sale Now SORANO HOTEL Opening on Tuesday, May 12, 2020

SORANO HOTEL (Management: Tachihi Hospitality Management Co., Ltd.; Masamichi Murayama, President and Representative Director) scheduled to open on May 12 (Tuesday), 2020, has started sales of its spa treatments. The treatments are available to in-house guests as well as visitors to the hotel.

SORANO HOTEL spa treatments are mainly offered in guest rooms. Guests staying at the hotel can enjoy a full, authentic spa treatment right in their rooms, free of the hassle of getting ready and moving to a spa facility. Such in-room treatments are possible at the SORANO HOTEL as the guest rooms boast ample space of at least 52 square meters. The treatment is performed by an experienced therapist who brings a portable spa table to the room.

Visitors can use the guest rooms at five-hour time slots. High quality treatments are provided for one or two guests who can luxuriate in the guest room after the treatment. A room use fee of 10,000 yen (tax exclusive) is added per room to each spa treatment price. What is appealing about SORANO HOTEL spa treatments is that the guest rooms are large enough for treatments for two guests.

SORANO HOTEL spa treatments offer a wide variety of treatments and therapies that can be customized to meet guest needs. Our gentle treatments for the mind and body can be used for simply alleviating daily fatigue, relaxing, beautifying skin, aiding in recovery from sport-induced fatigue, providing cellulite care for trouble spots, slimming, detoxifying, and reducing swelling along with foot care, facials, head spa, and more. Programs can be combined for even better results, so guests are asked to share their needs with us at the counseling session.
