**Too Good for Just One Night!
Two Nights for a Better Deal at the SORANO HOTEL
Consecutive Nights Package On Sale Now for Plentiful Healing Experiences
A Short Trip Only 30 Minutes from Central Tokyo**

Inspired by a guest comment, SORANO HOTEL (Management: Tachihi Hospitality Management Co., Ltd.; President and Representative Director: Masamichi Murayama) opened on June 8 in Tachikawa, Tokyo has started sales of its two-night stay package **“Too Good for Just One Night! Two Nights for a Better Deal at the SORANO HOTEL”**.

The comment from our guest was: “I wanted to try various services, but there wasn’t enough time”. One night is not enough to experience the various healing experiences at the SORANO HOTEL, such as our infinity pool, hot bathing facility, conditioning training at the gym studio, and spa treatment in the guest room.

Following the comment, the SORANO HOTEL has created **“Too Good for Just One Night! Two Nights for a Better Deal at the SORANO HOTEL”** so that guests can enjoy a leisurely two-night stay to experience our services and also visit some leisure spots in the vicinity at a highly attractive price.
