The SORANO HOTEL [Tachikawa, Tokyo; Tachihi Hospitality Management Co., Ltd.; Shiho Ikeuchi, General Manager] has started sales of the SORANO Early Bird Package that offer deals for early bookings so that travelers can plan their winter leisure in advance. Discounts are available for bookings made 60, 30, and 14 days in advance, making this the perfect package to book once schedules become fixed.

The Infinity Pool on the Sorano Hotel's top floor boasts a sweeping view of the Showa Kinen Park, beautiful silhouette of mountains in the distance, and faraway Mount Fuji on particularly clear days. The outdoor pool's use of privately drilled hot spring water with controllable water temperatures ensures comfort throughout the year, and the steam rising from the 60-meter surface creates the ambiance of an open-air bath in the winter.
