SORANO HOTEL Dog-lovers' Package Starting Sales of Pup and Owner Family Anniversary

The SORANO HOTEL [Tachikawa, Tokyo; Tachihi Hospitality Management Co., Ltd.; Shiho Ikeuchi, General Manager] has started sales of the Pup and Owner Family Anniversary Package. The package emerged from an increased demand for use of our Dog-friendly Room where guests can stay with their canine pals, and we have added a way to celebrate their pets' birthdays or other anniversaries of owners and their children.

Our package includes a stay in our special Dog-friendly Room, doggy birthday cake, hotel-made gift, and a souvenir snap shot presented in our hotel-crafted photo cover, which also serves as a birthday card.

We welcome all breeds large and small to the SORANO HOTEL. There is no need to bring your pup in a cage – a leash is fine as dog and owner check in together. Take the dog-friendly elevator to our Dog-friendly Wa Modern furnished with a spacious balcony measuring over 20 square meters and lavishly landscaped with greenery. The most highly-demanded room on property, the Dog-friendly Wa Modern (52 ㎡) accommodates up to two furry companions.
