March 14 (Sunday) is White Day, and March 16 (Tuesday) is our monthly guest appreciation [SORANO Premium Day](#). For three days from March 14 to 16, the SORANO HOTEL lobby will be gorgeously decorated with white flowers to welcome our guests. Inhouse and restaurant guests will receive flowers, and a professional photographer will take photos of guests in front of the flower arrangement to take home as gifts. Couples postponing their weddings as the pandemic drags on, guests looking to reciprocate for Valentine's Day, couples wishing to express their gratitude, or sons and daughters hoping to thank their parents – please use this opportunity to give flowers to your loved ones and share your special feelings with a heartwarming photo.
